## Eliminate wasted energy

Mid-temperature Range accurately control

Productivity UP

consumption cut

Resource

Added Value UP

Chiller and temperature controller are combined into one to drive efficiently. Highly accurate temperature control even in the toughest range of 30 - 50°C.

Widerange Temperature Controller

1

Compact temperature controller covers a wide range of temperatu res, from 8 °C (chiller) to 90 °C (temperature controller). Molding is possible with one unit without reconnecting the chiller and temperature controller.

#### 4 10

#### **Eliminate wasted energy** 1

### **MEMO**

achieve 'factor 4' in molding factors.
